

## Update for Firefighter Recruitment Process – April 3, 2009

If your applicant number appears below, you successfully passed the Occupational Screening and are considered to be in the Brantford Fire Department Recruitment Pool of candidates.

### **Stage Six: Oral Interviews and Reference Checks**

Interviews will be conducted as positions become available. If you are called for an interview you may be expected to attend a series of interviews for the vacancy being filled. These interviews may take place over an extended period of time. The selection of applicants to be interviewed will be based on merit and qualifications. If after being interviewed, you are not selected for the position, your application will be returned to the applicant pool. Having been interviewed for one position does not guarantee that you will receive future consideration. At the time of the interview you will be required to bring with you the original documentation of the following items:

- Drivers' Abstract (no more than 90 days old).
- Current Police Clearance Certificate (no more than 14 days old).

As a condition of employment all candidates who are offered positions must hold a current (dated after December 5<sup>th</sup>, 2008) York University occupation specific fitness, hearing and vision assessment for firefighter applicants or pass one paid for by The Brantford Fire Department prior to their start date.
